ADOPTION OF POLICY

The Board will give notice of proposed policy changes or adoption of new policies by placing the item on the agenda of a regular board meeting. Public comment on a policy will be allowed during the meeting prior to final board action. This notice procedure will be required except for emergency situations. If the Board adopts a policy in an emergency situation, a statement regarding the emergency and the need for immediate adoption of the policy will be included in the minutes. The Board will have complete discretion to determine what constitutes an emergency situation.

The proposed policy will be approved by a simple majority vote of the Board. The policy will be effective on the date of passage.
