

SAYDEL COMMUNITY SCHOOL DISTRICT

MANAGEMENT

The Board and the administrators will work together in making decisions and setting goals for the school district. This effort is designed to obtain, share and use information to solve problems, make decisions, and formulate school district policies and regulations.

It will be the responsibility of each administrator to fully participate in the management of the school district by investigating, analyzing, and expressing his/her views on issues. Those board members or administrators with special expertise or knowledge of an issue may be called upon to provide information. Each board member and administrator will support the decisions reached on the issues confronting the school district.

The Board will be responsible for making the final decision in matters pertaining to the school district.
