

SAYDEL COMMUNITY SCHOOL DISTRICT

STUDENTS REGISTERED AS SEX OFFENDERS

The Board will determine the educational placement of any student who is required to register as a sex offender.

Upon receipt of notice from law enforcement authorities that a student who is enrolled in the district is required to register as a sex offender, the Board will hold a hearing to determine the educational placement of the student. The tentative agenda for the meeting at which the Board will consider such enrollment or educational placement will specifically state that the Board is considering the enrollment or educational placement of an individual who is required to register as a sex offender under Iowa Code chapter 692A. The hearing will be conducted in a closed session unless an open session is requested by the student or the student's parent(s).

If the student is denied enrollment in a regular comprehensive school, the school district will provide the student with educational services in an alternative setting.
