

**SAYDEL COMMUNITY SCHOOL DISTRICT ACTIVITY  
PARTICIPATION DOCUMENTATION FOR MINOR'S DRIVING PERMIT**

Student license requirements for the Saydel Community School District are:

- A. The student must be between the ages of 14 ½ and 18 years of age.
- B. The student is in grades 9-12 at Saydel High School.
- C. The student resides at least one mile or more from the High School (Code of Iowa, 321.194).
- D. School transportation is not available to the activity in which the student wishes to be a participant. Also note, the permit is only valid within the Saydel Community School District or in a contiguous school district if open enrollment has been approved and on the most direct route between the home residence and school(s).
- E. A certified driver's education program has been successfully completed.
- F. The student has had an instruction permit for at least six (6) months.
- G. The district will pursue appropriate action for students who abuse their driving privileges on school sites or at school activities and will encourage the local authorities to provide strict legal enforcement of the restrictions on student permits.
- H. The district reserves the right to deny requests if adequate parking is not available at the high school.
- I. Conditions set by the Department of Transportation and Department of Education are met.
