### **STUDENT LOCKERS**

Student lockers are the property of the school district. Students will use the lockers assigned to them by the school district for storing their school materials and personal belongings necessary for attendance at school. It will be the responsibility of each student to keep his/her assigned locker clean and undamaged.

The administration of the building, with or without the use of criminal detection canine teams, reserves the right to periodically inspect the lockers. Student lockers may be searched in compliance with Board policy regulating search and seizure.
