

SAYDEL COMMUNITY SCHOOL DISTRICT

STUDENT PHOTOGRAPHS

The Board will permit student "portrait" photographs to be taken on school premises by a commercial photographer as a service to the students and their families.

Parents/guardians will be notified prior to pictures being taken by a commercial photographer for student "portraits." In no case will a student be required to have his/her picture taken or be pressured to purchase pictures.

Students or commercial photographers may take pictures of students upon consent of the building administrator for such things as the yearbook, student newspaper or activity photos. It will be the responsibility of the Superintendent to develop administrative rules regarding student photographs.
