

SAYDEL COMMUNITY SCHOOL DISTRICT

EMERGENCY DRILLS

Students will be informed of the action to take in an emergency. Emergency drills for fire, weather and other disasters will be conducted each school year. Fire and tornado drills will be conducted regularly during the academic school year. These drills will be at minimum:

Prior to December 31

- 2 Fire Drills
- 2 Tornado/Disaster Drills
- 1 Drill from the Emergency Management Plan chosen at discretion of building administrator

After January 1

- 2 Fire Drills
- 2 Tornado/Disaster Drills
- 1 Drill from the Emergency Management Plan chosen at discretion of building administrator

Employees will participate in emergency drills. Licensed employees will be responsible for instructing the proper techniques to be followed in the drill.
