

SAYDEL COMMUNITY SCHOOL DISTRICT

PROGRAM FOR AT-RISK STUDENTS

The Board recognizes some students require additional assistance in order to graduate from the regular education program. The Board will provide a plan to encourage and provide an opportunity for at-risk students to obtain their high school diploma.

The At-Risk Program will be included in the District's overall Multi-Tiered System of Supports (MTSS) model.

It will be the responsibility of the Superintendent to develop and communicate a plan for students at-risk, which provides for ongoing identification of students, for program evaluation, and for the training of employees.
