

## SAYDEL COMMUNITY SCHOOL DISTRICT

### STUDENT HEALTH SERVICES

Health services are an integral part of comprehensive school improvement, assisting all students to increase learning, achievement, and performance. Health services coordinate and support existing programs to assist each student in achievement of an optimal state of physical, mental and social well being. Student health services ensure continuity and create linkages between school, home, and community service providers. The school district's comprehensive school improvement plan, needs, and resources determine the linkages.

Health services will be designed to help each student protect, improve and maintain physical, emotional and social well-being. Areas to be considered include, but are not limited to:

- Environmental health and safety
- Emergency health procedures and responsibilities
- Health promotion
- Report required communicable disease
- Report and maintain student immunization records
- Provide hazardous chemical disclosure
- Maintain and keep current the health records for each student
- Obtain health appraisals on students being staffed for special education programs
- Dispense prescription and over the counter medication as per authorization from parents/guardians and physicians
- Follow physician's orders for special nursing procedures
- Provide instruction on standard precautions
- Provide assistance with acute or chronic health problems
- Communicable disease prevention and control
- Staffing for the school health program

The Superintendent, in conjunction with the (school nurse, health advisory committee, public health nurse, school health team, etc.) will develop administrative regulations implementing this policy. The Superintendent will provide a written report on the role of health services in the education program to the Board annually.

Nurses and other medical employees employed by or requested to conduct services for the Board will hold and maintain a current Iowa license and meet the requirements of the Iowa Department of Education.
