7:45 AM - 2:45 PM

Wed.: 8:45 AM - 2:45 PM

NOTE: Each Wednesday school begins one hour later for teacher in-service.

MISSION: Serving the Unique Learning Needs of Each & Every Student

Principal's Message

It has been a great start to the school year and there is a lot of positive energy within the school. A lot of the positive vibes come from activities that students are involved in outside the school day.

Connecting every student to school is one of the goals that we strive to meet. We know that this connection can happen in many different ways and we work to foster these opportunities. This is evidenced by our ever-growing list of student clubs. From Japanese culture to painting on canvas to ornament carving, we have a wide variety of opportunities we offer students. Participation in co- and extracurricular activities has a positive effect on a variety of student achievement results. Students involved in extracurricular activities have a higher GPA, better cumulative ACT score, stronger attendance and are less likely to drop out (Freeman, 2017). Not only does participation in extracurriculars lead to better results, but the more activities a student was involved in, the greater the academic gains.

As a parent or guardian, what can you do to support your child?

1. Encourage and support participation.
2. Encourage your son or daughter to complete the season.
3. Know what your son or daughter is interested in and help them find connections to extracurriculars.
4. Contact the school if you need support to help get your son or daughter involved.

Principal Kevin Schulte

Student Council

Meets alternating Thursdays and Fridays during flex

Saydel High School Student Government will be led this year by our new President, Jessica Guzman along with Vice-President Gabby Neddermeyer. Alyssa Monroe will be our Secretary while Logan Guy will be accepting the position of Treasurer for the second year in a row. Student Government members support and assist with all the prep that goes into Homecoming, they have two blood drives every year and collect hundreds of pairs of jeans for teens. They attend leadership conferences where they present both their Shoe Box Shuffle & Adopt A Family Program (giving back to the community), celebrate Dr. Seuss' Birthday by participating in National Read Across America, encourage a tobacco-free future society when joining the National Kick Butts Campaign, and try to encourage all student body to make the best of every day of the four years spent at Saydel. The time really does fly right by!

Thank You

National Honor Society

The Eagle Chapter of the National Honor Society is an organization that recognizes a high school's best and brightest individuals. Students are selected by a faculty selection committee which looks for students who exemplify the four pillars of National Honor Society: scholarship, leadership, character, and service. All students who are selected for membership have sophomore standing or higher and maintain at least a 3.25 GPA. This year's officers are Jaelynn Myers, President; Manfredo Mazariegos, Vice-President; Megan Ford, Parliamentarian; Gabrielle Neddermeyer, Historian; Ali Ellsworth, Secretary. Some of this year's activities that members are planning include tutoring at Cornell and Woodside, Breakfast with Santa fundraiser, marching in the Homecoming parade, participating in Reggie's Sleep Out, Project PJ, planning a 5K fun run, hosting an Easter Egg Hunt, helping with the Cornell Carnival, serving finals' Pancake Breakfast, working with the clothes closet, and serving at the Food Bank of Iowa.

Mock Trial

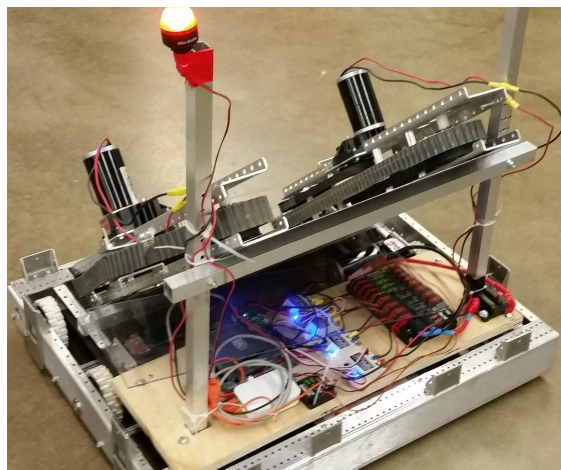

In the winter, high school students will begin preparing for Mock Trial season. The competition will take place in March. Currently, we have ten students who are planning to compete but we welcome more! Look for an informational meeting this November.

What is Mock Trial? Mock trial is a courtroom simulation competition that combines the 4 C's of education: critical thinking, communication, collaboration, and creativity through a hands-on opportunity to examine legal processes and current legal issues. Students are responsible for preparing a case with three witnesses for both the plaintiff and defense. Students must learn both sides of the case and have to represent each side on competition day. Students are assigned parts; each student has witness roles, lawyer roles, or a combination of both. Students with witness roles must learn their character and know it like the back of their hand. Lawyers have multiple possible roles, including cross-examinations, direct examinations, opening statements, and closing statements. In the end, it all comes together for a realistic court representation for the audience and a challenging and fun competition for the students involved.

Robotics Club

Meets every Wednesday after school

Robotics club is beginning the season after coming off of a very successful freshman year. Last year they were honored as "Rookies of the year" placing 26 out of 60 teams, placing higher than at least 15 non-rookie teams from all over the world. There are currently eight members who are looking to expand. Robotics is focused on designing, coding and building a robot. There is also a "business" side to the team as well as a section devoted to marketing/design. This year the team is looking to participate at UNI and compete with 60+ teams.

Anime Club

Meets every Friday after school

Anime Club can't stop, won't stop, going five years strong! Students have been taught lessons over these past years and have now taken control in creating and conducting their own club schedule. From cooking labs to anime themed workouts, crazy Japanese game show antics to deceptively calm movie nights, club members always have something fun and informative to look forward to experiencing.

Carving Club

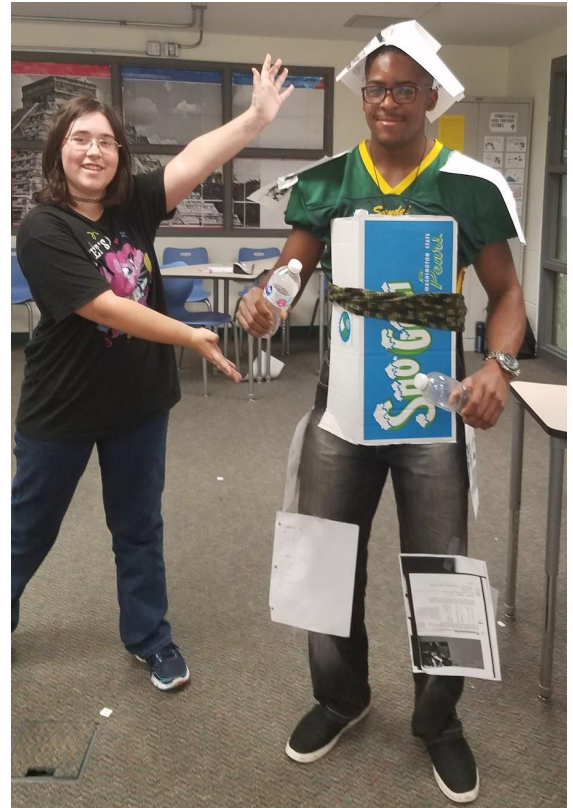

Meets every day during flex

The Carving Club meets in Mr. Voss' classroom each day during advisory. Students learn the skills and techniques used when carving wood. One of the first projects is to carve a tree ornament to be donated to the Des Moines Festival of Lights which benefits the Blank Children's Hospital. Other carving projects, safety and care of tools, carving history, types of carving, and types of wood to carve, will be made available to students.

+1 Club

Meets every Wednesday after school

+1 Club is about playing games. Role playing games, board games, tabletop miniatures games, and card games will be played during club meetings. Both competitive and cooperative games will be played. Club members may facilitate and teach collaborative storytelling games such as Dungeons and Dragons, or they may bring in a new game and teach others how to play. New games will be introduced to the club on a regular basis. Other activities will include learning about the gaming hobby, the gaming industry, and about the local gaming community. The club got its start at the very end of last year but managed to meet a few times over the summer to play games such as King of Tokyo and Zombie Fluxx. Club President is Evan Mundy, and the staff sponsor is Mr. Musser.

Saydel Eagle Endowment

The Saydel Eagle Endowment (SEE), formerly known as Saydel Dollars for Scholars, was started in 2001 by a group of parents to raise money to provide scholarships to graduating seniors who were continuing their education at colleges and universities, area colleges, and trade schools. 2018 marked our 16th year of awarding scholarships to all students who completed the application process, which includes a written form and an in-person interview. We have an endowment fund that continues to grow from ongoing donations and investment growth.

This year we received donations from several sources, including the Saydel Homecoming Parade, the Monster Dash, and various individuals. We were especially pleased to work with a donor to honor their mother who graduated from Woodside High School, and another donor to honor the memory of a long-time high school teacher who made a positive impact on students. Another donation we were pleased to receive came from the mother of a current Cornell Elementary School teacher.

SEE is a non-profit organization under the laws of Iowa. We provide the same scholarship amount to all students, regardless of academic performance or financial need. The money is sent directly to the college or university after the student confirms his/her registration for fall classes.

If you are interested in volunteering to help SEE, or in making a contribution, please contact Kirk Hartung: hartung@ipmvs.com or 515-321-8098 or Corinne Nelson: Corinne.L.Nelson@wellsfargo.com or 515-210-4162.

Fellowship of Christian Athletes

Meets every other week

The Saydel FCA (or Fellowship of Christian Athletes) focuses on three F's, Fun, Food, and Fellowship. Every other week all students and staff are invited to join in playing some sort of game, eating a meal, and having conversations with one another to grow and mature as followers of Jesus Christ and to share the Gospel with others. Past favorite games include 9-square, sardines, board games, kiddie pool kickball, and dodgeball; with repeats and brand new games planned for the future. Fellowship time has included small group discussions, guest speakers, and open Q & A sessions. The students have additional speakers and small group topics planned for the future, as well as starting a bible study during alternate weeks. Look for our float in the Homecoming Parade this year!

Officers include:

Seth Plascencia - President

Andrew Malone - Vice President

Katie Plascencia - Secretary

Marissa Chally - Treasurer

Emily Lowe - Public Relations

Gay-Straight Alliance Club

Meets every Monday after school

We are excited for our second year of Gay-Straight Alliance Club. Last year, the students attended the LGBTQ Governor's Conference for the first time. They attended workshops to learn how to strengthen the club and make our school a safe and welcoming environment for every student. Our goal this year is to grow our club in members and activities within the community. GSA meets in the library every Monday from 3 to 4 PM. If you are interested in joining the club please feel free to reach out to the club president Brandon Webb or our vice president Kenne Michael. The club sponsor this year is Holly Robinson. She is in the library from 7:30 to 10:30 AM and can answer any questions or ideas you may have about the club.

Science Bowl

Back again by popular demand (and because it's awesome), a Science Bowl team is being put together by Mr. Blake. The Science Bowl is a competition where teams face-off in an intense question and answer game that test students' knowledge of a range of science topics. The winner of the regional event gets an all-expenses-paid trip to the national event in Washington, D.C.

Art Club

Meets the 2nd & 4th Thursdays of the month

The 2018-19 SHS Art Club has started off with a great start. With 40+ members, SHS Art Club has tripled in size with Brandon Webb representing as president and Beau Sutton as vice-president. Art Club is a place where not only members can come to make art and express their creativity but also where they can build relationships and get to know other peers in various grades throughout the school. The students have truly built an environment that welcomes all and the ideas that each individual brings to the table.

To start the year members are participating in painting their own version of Van Gogh's *Starry Night*. Students are welcome to bring about their own style and creativity to the project. In the upcoming year, students are looking forward to celebrating Halloween with themed activities, holiday potlucks and, of course, creating art out of all sorts of materials.

Parade Route: Begin at Cornell Elementary School and go North to NE 60th Avenue, turn East to NE 6th Street, turn South on 6th and around the U-loop, and then to Saydel High School.

All money raised goes to the Saydel Eagle Endowment fund, providing scholarships to eligible Saydel graduating seniors. Saydel Eagle Endowment is a 501(c)(3) charitable organization.

*Away game Jerseys will be auctioned off and accessible to the highest bidder during Homecoming Week. Jerseys must be returned to High School office by Tuesday, Oct. 16.

For more information or to have an entry in the parade, contact Rob Strickler 515-865-0364; 13strickler@gmail.com

Thanks. We hope to see you there!

SAYDEL'S HOMECOMING PARADE

SUNDAY OCTOBER 7, 2018
3:00pm

ACTIVITIES AT THE HIGH SCHOOL AFTER THE PARADE:

- ROOT BEER FLOATS
- BALLOON ART
- DUNK TANK

SAYDEL MUSIC BOOSTERS 2018-2019

Tradition of Excellence

Saydel Music Booster sponsorships are available to businesses, individuals, families, and organizations interested in providing financial support for the Saydel Community School's Music Program. Expenses covered by the Music Boosters include clinicians (choir & band master classes, drum line & color guard instructors), honor festival expenses, scholarships, equipment, accompanists for concerts & contests, travel for students, awards, and more.

All donations to the Saydel Music Booster program are proudly listed in our concert and athletic programs for both Woodside and the High School throughout the school year. Sponsors may elect to remain anonymous at their discretion.

All people are welcome and encouraged to attend our monthly Music Boosters meetings regardless of sponsorship. The meetings take place the first Wednesday of every month at 6:30 pm in the High School Choir Room, and usually last approximately one hour.

Donations for sponsorships are TAX DEDUCTIBLE!

Detach and return with check made out to Saydel Music Boosters or cash to: _____
