**TRANSFER PROCEDURES**

A. Employee-Initiated Transfers Within a Job Classification. Definition. A transfer for purpose of this paragraph shall mean voluntary movement of an Employee to a different building or subject area within a given job classification.

1. For the purpose of this paragraph, transfers may be made within the following classifications: 1) Custodian Full and Part time; 2) Food Service – Kitchen Manager, Cook, Cashier and Kitchen Aide; 3) Teacher Assistant General Duties/Supervision; Teacher Assistant Specific Programs (including but not limited to ELL, Title, Preschool); Teacher Assistant Special Education.
2. Procedures. The Employer shall determine whether an opening or vacancy exists within a given job classification. Notice of such opening or vacancy will be posted in the administration office and sent to each building. The notice shall be posted in each building office and employees' work area. The Employer shall mail a copy of all vacancies to all designated Union Stewards within the classification on the first day of each posting. Notice of said opening shall include the job qualifications as deemed necessary. Within seven (7) full days from the date of the posting and mailing of said notice, any Employee within that job classification desiring to apply for the opening shall do so by filing a written statement with the office of the Superintendent of Schools. The Superintendent of Schools shall notify each applicant when the position is filled.
3. Granting Transfers. All transfer requests by employees within the job classification when the opening exists will be honored before any transfers from another job classification or new hires are considered. The employer shall be the sole judge of each applicant's qualifications for the opening. When two (2) or more applicants have relatively equal qualifications the employee applicant with the greatest seniority within the Unit shall be given priority.

In the event an employee transfers to a position that involves a special needs child, the building team may review the transfer, including meeting with the employee, and make a decision as to whether the employee's working with this child is in the child's best interest and/or consistent with the requirements of the IEP. If the team decides it is not in the child's best interest, the employee shall return to his/her previous position (i.e., prior to the transfer). If the team determines that the employee is suitably matched with the child and IEP then the employee will stay in the position.

4. Limitations. Probationary employees, or employees who have been placed on notice for poor work performance, within nine (9) months of being placed on notice for poor work performance, will not be eligible for any transfers within a given job classification.

B. Cross Job Classification Employee-Initiated Transfers. Definition: A transfer for the purpose of this paragraph shall mean a movement of an employee to another job classification or job category within the District. The employer shall determine whether an opening or vacancy in a job classification exists. This paragraph shall not be construed as restricting the employer from exercising its right to fill any vacancy with a temporary employee or to prohibit the employer from directing the work of its public employees. Further, the employer maintains the right to hire and assign new employees to any position; however, present employees shall be given first consideration for transfers upon following the application procedures specified below.

1. Procedures. When the employer determines there is a permanent vacancy or opening, notice of such opening will be posted in the administration office and sent to each building. The notice shall be posted in each building office and employees' work area. During the summer, Christmas, or spring break, a copy of the notice shall also be mailed to the Union Stewards on the same date as posting, and deposited in their campus mailboxes, if applicable. (Stewards receiving notice shall be custodians, kitchen and teacher assistants.)

Notice of said opening shall include the job qualifications as deemed necessary. Within five (5) from the date of the posting and mailing of said notice, any employee desiring to apply for the opening shall do so by filing a written statement with the office of the Superintendent of Schools. The Superintendent of Schools shall notify each applicant when the position is filled.

2. The employer shall be the sole judge of each applicant's qualifications for the opening. When two (2) or more applicants have relatively equal qualifications, the employee applicant with the greatest total seniority within the Unit shall be given priority.
- C. Summer. During the summer months, notice of vacancy shall be posted in their regular work areas and the lobby of the Administrative Building. Employees wishing to be kept informed during the summer months of specific vacancies within the District for which they are qualified, shall file a written request in the Administrative Offices of the District prior to the last day of scheduled classes.
