If Parent/Guardians share the same account, ONLY ONE Parent/Guardian may access the account at a time.

After successfully logging in, you will see a series of tabs under the PowerSchool logo listing your student family members.

- Select the appropriate name to change the page to that student's information.

What if you forget your login information?

On the login page click on Having Trouble Logging in?

If you forgot your Password:

- Fill in your User Name
- Fill in your E-Mail Address
- Hit Enter

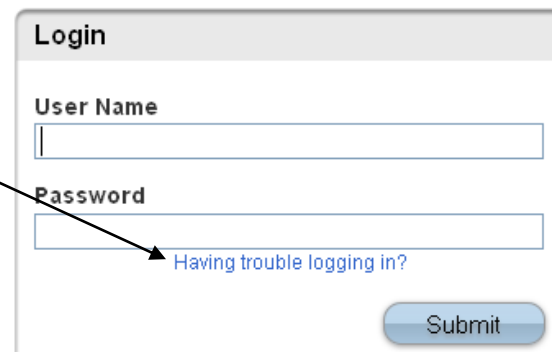

The system will authenticate your information and send you a Security Token with instructions on how to re-set your Password to the E-Mail address listed.

It is important to note that the Security Token sent is only good for 30 minutes. If the Parent/Guardian fails to re-set the Password in that allotted time, you will need to repeat the process.

If you forgot your User Name:

- Click on the Forgot User Name tab
- Enter your E-Mail Address
- Hit Enter

The system will authenticate your information and send you an E-Mail listing your User Name.
