

SAYDEL COMMUNITY SCHOOL DISTRICT  
5740 NE 14<sup>th</sup> STREET  
DES MOINES, IA 50313

REGULAR BOARD MEETING MINUTES  
6:00 PM  
Saydel District Office Board Room  
May 12, 2015

- I. Call the Meeting to Order** – Meeting called to order by President Brian Bowman at 6:02 PM
- A.** Roll Call – Ray Livingston, Kyle Prendergast, Melissa Sassman, Brian Bowman – present. Rob Stephenson, Paul Breitbarth – absent. Henry Wood arrived at 6:03 PM
- B.** Approve Agenda – Motion to approve by Melissa Sassman, seconded by Ray Livingston. Motion carried 4/0.
- II. Public Comments** – James Walker, 6056 Glen Circle, Johnston, IA, shared the 2014 Annual Report for Saydel Junior Football. There were 63 players who signed up for 3<sup>rd</sup>-6<sup>th</sup> grade tackle football in 2014. They were divided into two divisions; 3<sup>rd</sup>/4<sup>th</sup> graders and 5<sup>th</sup>/6<sup>th</sup> graders. There were two teams for 5<sup>th</sup> and 6<sup>th</sup> and one team for 3<sup>rd</sup> and 4<sup>th</sup> in each division. All three teams played in a league through the Youth Sports Foundation (YSF). The fee for signups was \$145 a student for 5<sup>th</sup> and 6<sup>th</sup> and \$105 a student for 3<sup>rd</sup> and 4<sup>th</sup>. Saydel Junior Football charged \$80 a player. The balance was paid by a fundraiser with Casey’s pizza cards. The fundraiser was fantastic this year. No student was turned down to play because of lack of funding. The core teaching of the league is to teach fundamentals and teamwork. The league produced a net positive cash flow of \$1,455.16. James provided a statement of cash flow for the Board to review. There was \$7,772.56 turned over to the Saydel Athletic Boosters. They will now be in charge of the funds for Saydel Junior Football.
- III. Board Reports**
- **Deb Chiodo Recognition** -- On behalf of the Board, Brian Bowman publically thanked Deb Chiodo for her service and dedication over the past 20 years as principal at Cornell Elementary School. Deb, who is retiring at the end of the school year, has done an outstanding job as an administrator, implementing many great programs. Some of Deb’s initiatives have integrated further into the District which has been very beneficial. Deb said she has appreciated being part of the Saydel School system and has enjoyed seeing the children grow and learn. She hopes she has made a positive impact on the students and the District for the long-term, and she is hopeful she has built a strong foundation at Cornell Elementary.
  - **Christopher Feldhans Recognition** -- On behalf of the Board, Brian Bowman publically recognized Christopher Feldhans for his dedication to the District over the last 15 years. Christopher is resigning at the end of the school year from his position as Woodside Middle School principal. During Christopher’s time at Saydel, he has worked as a teacher, coach, and administrator. He said he feels fortunate to have had

so many opportunities at Saydel and that the students, parents, staff and administration have all been incredibly supportive of him and the Woodside programs during his career.

- Henry Wood said a track record was recently broken by Saydel's Cash Lee. Congratulations to Cash and to other students who have broken records this year.
- Melissa Sassman attended the Large Group Competition for Band and Chorus at Gilbert last week, and they did very well. Congratulations to those who participated.
- Brian Bowman reminded everyone that Saydel High School Graduation is on May 17 at 2 PM. He encouraged people to attend so they can congratulate the graduates as they celebrate this milestone in their lives.
- Ray Livingston mentioned that Senior Awards Night will be held May 13. This event is neat to attend because it recognizes student achievement.
- Brian Bowman shared a report about the Saydel Eagles Endowment Scholarship. He said Paul Breitbarth took part in the interview process for the scholarship. There were 20+ students who applied and interviewed and the students were each asked what teacher had the greatest impact on their education at Saydel. Many of the students named Matt Tesdell. Matt is not a staff member, but he is a volunteer who has had a big impact on the students. Matt's volunteerism hopefully will set an example so Saydel graduates will be active volunteers as adults. Congratulations and thank you to Matt for his volunteer efforts on behalf of the Saydel Endowment Scholarship. Also, thank you to those who conducted the interviews and to everyone who contributed to the scholarship fund.

#### **IV. Superintendent's Report**

- A. National History Day Presentation Woodside** – Superintendent Mr. Douglas Wheeler welcomed Doug Cline, Woodside Social Studies teacher, to speak to the Board about the National History Day program at Woodside. The NHD program serves as a vehicle to teach students important literacy skills and to engage them in the use and understanding of museum and library resources as they develop annotative bibliographies and creative exhibits. The program challenges students to expand their thinking and apply knowledge of local events to the national or even worldwide scene. It also teaches students to become technologically literate through the use of computer and Internet research methods and the use of technologically advanced applications in their presentations. Through NHD students learn writing, analytical understanding and reading comprehension skills that will make them a success in the 21<sup>st</sup> Century, no matter what their career. Mr. Cline introduced this year's state qualifiers to the Board. Junior Group Exhibit state qualifiers were Darian Garcia and Emily Harden with their presentation *Walt Disney: Dreams Come True*. Junior Individual Exhibit state qualifier was Brandon Klock with his presentation *Dwight D. Eisenhower: Operation Overlord*. The students, who displayed their projects and discussed their research, were commended for their achievements as state qualifiers.

- V. **Administrative Report to the Board: TAP** -- Dr. Simone Alekno, Director of Curriculum, Instruction, and Assessment, and Michael Derrick, NIET Director for TAP, shared a TAP Update with the Board. NIET conducts a site review each year for all TAP schools to provide support, feedback, and monitor the implementation of all TAP processes. Each school receives a Glow and Grow for Cluster Effectiveness and Overall School Implementation of TAP.

Traci Lust, TAP Master Teacher at Cornell, presented a report for the Cornell Elementary Cluster Cycle, Data and External Review. She explained the Rubric Cycle, progress with Cluster Cycle 2 and 3, and plans for moving forward with TAP. The Glow and Grow for Cornell are as follows:

**Overall School Implementation Glow:** The leadership team has been the glue that is holding the school together during a transition.

**Overall School Implementation Grow:** Tied support for teachers.

**Cluster Effectiveness Glow:** Clusters which are highly organized and planned, allow teachers to take new learning back into the classroom.

**Cluster Effectiveness Grow:** Continued growth for teachers around the rubric.

Kim Moyle and Mary Salazar, TAP Master Teachers at Woodside Middle School, presented a report for the Woodside Cluster Cycle, Data and External Review. This year's focus in Cluster was on reading strategies. Their focus was identifying main idea, through pre-reading and during reading strategy Cluster Cycles. They explained Cluster Cycle 2 and 3, and shared data and plans for moving forward. The Glow and Grow for Woodside are as follows:

**Overall School Implementation Glow:** TLT has worked to provide teachers support with rubric test and field-test strategies that support student learning,

**Overall School Implementation Grow:** Make sure TLT learning transfers to teachers.

**Cluster Effectiveness Glow:** Clusters are a place of collaboration where teachers not only feel safe to learn but are challenged to push their own thinking and challenge existing norms.

**Cluster Effectiveness Grow:** Highlight effective teaching practices.

Dr. Simone Alekno presented a report on the Saydel High School Cluster Cycle, Data and External Review. She shared details on Field Testing in algebra, government, weightlifting and biology, Thinking Strategies for math and reading, and TLT. Mentors field tested in their classrooms to refine the critical attributes that would be rolled out in Cluster. The Glow and Grow for the High School are as follows:

**Overall School Implementation Glow:** The TLT has worked hard to support teachers during the learning of UBD as they design their units.

**Overall School Implementation Grow:** Always connect Cluster learning to student work.

**Cluster Effectiveness Glow:** Clusters have created a chance for teachers to collaborate as they work through the important process of curriculum work.

**Cluster Effectiveness Grow:** Model for teachers during Cluster.

## VI. Discussion/Action Items

A. **Consent Agenda** – Motion to approve by Henry Wood, seconded by Melissa Sassman. Motion carried 5/0.

1. Minutes of Previous Meeting

2. Bills for Payment
3. Financial Reports
4. Contracts

**Consent Agenda Contracts:**

- **Athletic Trainer Service Agreement** - Agreement between Physiotherapy Associates, Inc. and Saydel Community School District for furnishing an Athletic Trainer for the majority of the 2015-16 sporting events. The service fee is \$7,000 (0% increase from prior year) and will be paid from General Athletics (Student Activity Fund)
- **Yearbook Printing Agreement** - Agreement between Herff Jones and Saydel Community School District to print and bind the 2016 and 2017 high school yearbooks. This service fee is \$7,900 per year (0% increase from prior year) and will be paid from the yearbook account (Student Activity Fund).
- **Cooperative Teaching Agreement** - Saydel CSD has a long relationship with the University of Northern Iowa. This agreement will allow us to investigate both practicum experiences within the District as well as student teaching placements for the coming school year.
- **Telephone Software Upgrade Agreement** - Agreement between Tesdell Electric and Saydel Community School District for a telephone software upgrade at all buildings. This is a five-year subscription that ensures that our phones have the latest telephone/software updates, security patches and access to the latest technology. The renewal for Cornell is \$12,747.00, for Woodside/District Office is \$16,401.00 and the High School is \$14,403.00. The total agreement with Tesdell Electric would be for \$43,551.00 and will be paid from the non-instructional software budget within PPEL.

**B. Personnel**

1. **New Hires** – Motion to approve by Kyle Prendergast, seconded by Ray Livingston. Motion carried 5/0.

<u>Name</u>	<u>Position/Bldg.</u>	<u>Contract/Salary</u>
Mariah Hoium	Kindergarten/CE	TBD

**D. Resolution Ordering Election on the Question of Continuing to Levy a Voter Approved Physical Plant and Equipment Property Tax** – Motion to approve by Melissa Sassman, seconded by Henry Wood. Motion carried 5/0.

**RESOLUTION ORDERING ELECTION ON THE QUESTION OF CONTINUING TO LEVY A VOTER APPROVED PHYSICAL PLANT AND EQUIPMENT PROPERTY TAX**

WHEREAS, this Board has determined that an election should be called on the question of continuing to levy a voter approved physical plant and equipment property tax.

NOW, THEREFORE, IT IS RESOLVED BY THE BOARD OF DIRECTORS OF THE SAYDEL COMMUNITY SCHOOL DISTRICT, in the COUNTY OF POLK, STATE OF IOWA:

**Section 1. That an election is called of the qualified electors of the Saydel Community School District, in the County of Polk, State of Iowa, on Tuesday, June 30, 2015. The following Proposition is approved, and the Secretary is authorized and directed to submit and file the Proposition for the Ballot with the Polk County Commissioner of Elections at least 46 days prior to the election.**

SHALL THE FOLLOWING PUBLIC MEASURE BE ADOPTED?

**PROPOSITION A**

YES [ ]

NO [ ]

Shall the Board of Directors of the Saydel Community School District, in the County of Polk, State of Iowa, for the purpose of purchasing and improving grounds; constructing schoolhouses or buildings and opening roads to schoolhouses or buildings; purchasing of buildings; purchase, lease or lease-purchase of technology and equipment; paying debts contracted for the erection or construction of schoolhouses or buildings, not including interest on bonds; procuring or acquisition of libraries; repairing, remodeling, reconstructing, improving, or expanding the schoolhouses or buildings and additions to existing schoolhouses; expenditures for energy conservation; renting facilities under Chapter 28E; purchasing transportation equipment for transporting students; lease purchase option agreements for school buildings or equipment; purchasing equipment authorized by law; or for any purpose or purposes now or hereafter authorized by law, be authorized for a period of ten (10) years, to levy annually, a voter-approved physical plant and equipment property tax not to exceed One Dollar Thirty-Four Cents (\$1.34) per One Thousand Dollars (\$1,000) of the assessed valuation of the taxable property within the school district commencing with the levy for collection in the fiscal year ending June 30, 2017, or each year thereafter?

[END BALLOT LANGUAGE]

**Section 2. That the notice of the election and ballot form used at the election shall be prepared in accordance with the provisions of the Iowa Code and Iowa Administrative Rules. The polls will be open from 7:00 A.M. to 8:00 P.M.**

**Section 3. Polk County, Iowa is the control county of this School District; this election will be conducted by the County Auditor as Commissioner of Elections.**

**Section 4. That the Election Board for the voting precinct or precincts be appointed by the County Commissioner of Elections, not less than 15 days before the date of the election, a certified copy of which appointment must be officially placed on file in the office of the Secretary.**

**Section 5. The Commissioner of Elections is requested and directed to make publication of the Notice of Election at least once, not less than four days nor more than twenty days prior to the date of the election, in a legal newspaper, printed wholly in the English language, as defined by Iowa Code Section 618.3.**

**Section 6. The *Des Moines Register*, a legal newspaper which has substantial circulation within the District and is hereby designated to make the publication of the Notice of Election.**

**Section 7. That the County Commissioner of Elections shall prepare all ballots and election registers and other supplies as necessary for the proper and legal conduct of this election and the Secretary of the Board is authorized and directed to cooperate with the Commissioner of Elections in the preparation of the necessary proceedings.**

**Section 8. That the Secretary is directed to file a certified copy of this Resolution in the Office of the County Commissioner of Elections to constitute the "written notice" to the County Commissioner of Elections of the election date, required to be given by the governing body under the provisions of Iowa Code Chapter 47.**

## E. Contracts and Agreements

**1. Durham School Services - Transportation Agreement --** Motion to approve by Melissa Sassman, seconded by Ray Livingston. Motion carried 5/0.

We are at the end of a three-year contract with Durham School Services.

Representatives from Durham are proposing that the current contract remain in place for the 2015-16 school year. The proposed agreement does include a 2.5% increase on all regular ed routes, activity trips and field trips. The agreement also includes a 26.4% decrease on special ed routes.

The Finance Committee has had an opportunity to review this addendum to the existing contract. The Superintendent recommends the approval of this addendum with Durham School Services for the 2015-16 school year.

**2. Auditing Services -- Nolte, Cornman & Johnson –** Motion to approve by Ray Livingston, seconded by Melissa Sassman. Motion carried 5/0.

At a minimum of every three years, the District is required to put out a RFP for auditing services. We engaged in this activity recently, sending out requests to 15 firms that perform this type of work. In so doing, we received responses back from three firms, of which two were “no thank-you” letters. The only firm that provided an acceptable proposal was Nolte, Cornman & Johnson from Newton, IA. The proposed contract is a three-year contract for a total of \$25,500. As you may recall, this is the firm that has been completing our audit for the last several years and they engage in this work in over 100 Iowa school districts.

The Finance Committee has had an opportunity to review the RFP and is recommending moving forward with a three-year contract for auditing services with Nolte, Cornman & Johnson.

**3. Easy Tech Software –** Motion to approve by Melissa Sassman, seconded by Kyle Prendergast. Motion carried 5/0.

To support the development of technology literacy skills specific to the technology literacy curriculum approved by the Board and 5-8 1:1, it is proposed that the District enter into a three-year agreement to purchase Easy Tech Software.

To support the Board approved K-5<sup>th</sup> grade technology benchmarks, every K-8<sup>th</sup> grader will have access to and guidance with Easy Tech. The Easy Tech software provides adaptive online lessons that assist students in developing keyboarding, safety, basic programming, and other basic computer-related skills.

The following features are included with Easy Tech software:

**Features and Benefits:**

- Detailed instruction for core technology skills: keyboarding, word processing, web browsing, and more

- Grade-appropriate, guided instruction with immediate feedback and automatic scoring
- Online safety instruction and compliance reporting that exceeds E-Rate requirements
- Lessons that reflect current representations of technology and software
- Next-Generation Assessment preparation sequence with pre-tests and prescription
- Aligned with ISTE Standards for grades K-8
- Available in English and Spanish
- Content is web-delivered with no downloads or software installs required · Student app for iPad®, Android®, and Kindle Fire® tablet devices

Proposed Resources Adoption and Contract: Easy Tech (includes software and professional development)

Cost: \$21,400.00 (\$7133.00 per year)

Contacts: Dr. Simone Alekno and Chris Stammerman

This software purchase was discussed by the Instructional Committee and will be funded through the general fund Instructional Support Levy. The Superintendent supports the adoption of these materials and entering into this three-year contract.

- F. Resolution Authorizing the Saydel Community School District to enter into agreement with GovDeals, Inc. to allow on-line sales of surplus property. –** Motion to approve by Melissa Sassman, seconded by Ray Livingston. Motion carried 5/0.

Over the past several years, the District has obtained an extensive inventory of office equipment and classroom equipment that is no longer utilized and could potentially be sold. One method of selling merchandise is online through GovDeals.com. GovDeals, Inc. currently holds the contract with the State of Iowa along with 130 other cities, counties and school districts within Iowa. Selling items online expands the buying market and the district could potentially receive more for the sale. Below is a resolution to allow us to start selling our unused equipment online through GovDeals, Inc.

**RESOLUTION AUTHORIZING THE SAYDEL COMMUNITY SCHOOL DISTRICT TO ENTER INTO AGREEMENT WITH GOVDEALS, INC. TO ALLOW ON-LINE SALES OF SURPLUS PROPERTY.**

WHEREAS, the District is and will be the owner of surplus school property, which is or will be no longer needed for public use; and

WHEREAS, the District is seeking to sell this surplus school property with the assistance of an outside auction company in order to achieve high-volume traffic and the highest possible sale prices; and

WHEREAS, GovDeals, Inc. is an internet-based auction provider who helps sell personal property exclusively for state and local governments; and

WHEREAS, GovDeals, Inc. is currently under a five-year competitively solicited and cooperative awarded contract with the State of Iowa, MA # 005 3884-10 and is qualified to perform said sales; and

WHEREAS, as part of GovDeals, Inc.'s contract with the State of Iowa, other local government entities within Iowa can also sign up to participate under the State's previously-negotiated contract; and

WHEREAS, as also part of GovDeals, Inc.'s contract with the State, there is an Annual Volume Discount Program which local government entities may also participate in which provides rebates on high volume sales; and

WHEREAS, GovDeals, Inc. has provided the District with a copy of the State's contract with GovDeals, Inc. which authorizes and enables GovDeals, Inc. to perform the on-line sale of school surplus property on behalf of the District and allows the District to benefit from GovDeals, Inc.'s Annual Volume Discount Program, consistent with the State's agreement; and

WHEREAS, GovDeals, Inc. has also provided sample on-line auction sales terms and conditions to be utilized with buyers during District on-line auctions and District administration and legal counsel have modified these terms and conditions to meet with individual needs of the District; and

WHEREAS, District administration and legal counsel have reviewed the cooperative agreement between GovDeals, Inc. and the State of Iowa, including the on-line auction sales terms and conditions, and approve and recommend the District's participation in same.

NOW THEREFORE, BE IT RESOLVED:

1. The Board finds the District's participation in the State's cooperative agreement with GovDeals, Inc. and its use of the on-line auction sales terms and conditions to be in the best interest of the District; and

2. The Board hereby approves participation in this state cooperative agreement with GovDeals, Inc., and approves and authorizes the use of the on-line auction sales terms and conditions as presented and recommended by the administration; and

3. The Board authorizes the full execution by the Board President of all paperwork required for participation in the state cooperative agreement with GovDeals, Inc.

**G. Disposal of Equipment** – Motion to approve by Ray Livingston, seconded by Kyle Prendergast. Motion carried 5/0.

Board Policy 803.1 indicates that “obsolete equipment with a value of less than \$5,000 will be disposed of in a manner determined by the Board. The most economical method will be used, i.e. disposal, recycling, donating or resale.”

A list of items was presented that we currently have stored in our archive room or in off-site storage units. Each item is categorized under the different methods of disposal and is brought to the Board for consideration and approval. The items that will be sold will be posted on-line through GovDeals.com.

The Finance Committee has had an opportunity to review this. The Superintendent recommends moving forward with the disposal of this equipment.

## H. Curriculum Adoptions

1. **Project-Based Inquiry Science** – Motion to approve by Henry Wood, seconded by Kyle Prendergast. Motion carried 5/0.

The Project-Based Inquiry Science (PBIS) materials support district Core Curriculum alignment and implementation goals. These materials will replace those currently used to teach Science at the Middle School.

With Project-Based Inquiry Science [PBIS], students engage in hands-on science. In PBIS, students do science and learn to reason like scientists. Students design investigations to generate data, judge the trustworthiness of their data, interpret the data to make claims, justify the claims they make, observe like scientists, and develop explanations. Students also learn to collaborate and communicate, to build on the work of others, to present to others, and to actively listen. Students do read and learn about the investigations scientists have done and make inferences that combine commonly accepted science knowledge and the claims they have generated.

Proposed Resources Adoption: Project-Based Inquiry Science Series  
Woodside (6<sup>th</sup>-8<sup>th</sup> grades)

Cost: \$31,560.00 (includes texts, online interactive texts, and resources kits)

Contacts: Dr. Simone Alekno and Joshua Heyer

The curriculum used to narrow materials for selection as well as the final selection involved Science educators from Woodside and the High School. These materials and associated professional development for teachers have been discussed by the Instruction Committee and will be funded through the general fund Instructional Support Levy and STEM funds available from the TIF grant.

The Superintendent supports the approval and purchase of these materials.

- I. **Graduate List – Class of 2015** – Motion to approve by Melissa Sassman, seconded by Henry Wood. Motion carried 5/0.

- VII.** Adjourn: Motion to adjourn by Melissa Sassman, seconded by Ray Livingston. Motion carried 5/0. The meeting adjourned at 8:08 PM

---

Brian Bowman, Board President

---

Beth Vitiritto, Board Secretary

The next scheduled Board Work Sessions are Monday, May 18 and Monday, June 1 at 6 PM and the next scheduled Board Meeting is Monday, June 8 at 6 PM. All meetings will be held in the Board Room at the Saydel District Office.
