SUPERINTENDENT’S MESSAGE

Douglas Wheeler

Families and Community Members of Saydel CSD,

I hope this message finds you and your family well as we enter the fall season. The school year is in full swing. Students and staff are settling in for another great year of learning in Saydel Schools.

Enrollment this year is 1368 which is steady with last year’s enrollment. We also continue to enroll new students weekly. 19% of our students and families are attending Saydel on open enrollment from another district. The number of families choosing to open enroll their students to Saydel continues to be double the number of families who open enroll out. Attracting students from other districts is evidence of our ability to offer high quality academic and extra-curricular opportunities through a highly personal experience. The work of our staff and support of our community will ensure Saydel continues to grow as a destination district for families.

There is a great deal of recent media attention regarding the increasing number of Iowa schools being labeled “in need of assistance” under the 2001 No Child Left Behind Act. According to this landmark legislation, 100% of students were to be proficient in math and reading by 2014 Iowa Assessments. Even with marked improvement on the Iowa Assessments last April, we still have a school in our district that meet the criteria for “in need of assistance” and others that have been identified in the past. As a district, this year we have been removed from the watch list for reading and math, met participation requirements and the “other academic indicators” measured under NCLB. This is a huge accomplishment given the increasing expectations of NCLB. In this update, I want to give a quick overview of some No Child Left Behind basics:

The No Child Left Behind Act of 2001 (NCLB) requires the Iowa Department of Education to collect data in grades 3-8 and 11 on an annual basis in order to determine if school districts and buildings have reached state adequate yearly progress (AYP) targets. Iowa Assessment performance data, participation rates, average daily attendance and graduation rates are included in a school’s designation.

Calculations are for a grade level and not a cohort. For example, our calculation for 4th grade in 2013 was based on comparing the 2014 4th grade student performance with the performance of students in 4th grade in 2013, NOT from comparing the growth of the 4th graders from 3rd to 4th grade.

Superintendent's Message—cont'd

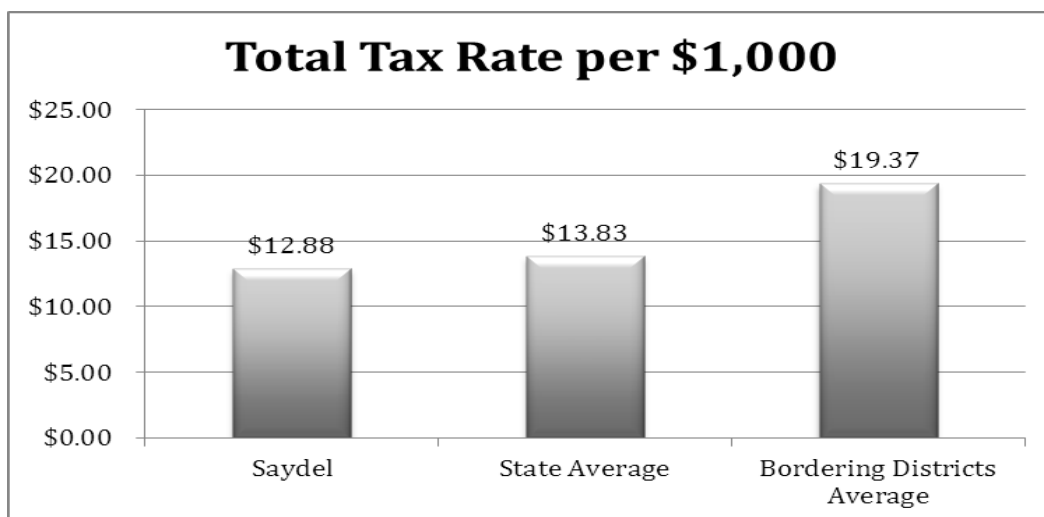

Removal from the “in need of assistance” list depends on a district’s ability to decrease the number of students being labeled as non-proficient within a grade level. Being identified does not necessarily mean that a cohort of students is losing ground as measured by Iowa Assessments. In fact, last April all but one grade level had marked cohort improvement in reading and all but two had a marked cohort improvement in math.

How does Saydel’s identification compare with the state? 45 out of the 345 school districts in Iowa were labeled as Districts in Need of Assistance (DINA) based on ‘13/14 assessments, up from 41 in ‘12/13. Saydel is not on this list of DINA schools. 737 public schools or 54.4% of Iowa schools were labeled as Schools In Need of Assistance in ‘13/14, up 7.2% from 47.2% in ‘12/13. Saydel has one school, Cornell, that is identified SINA. To be removed from SINA, each grade needs to reduce the number of students not proficient in reading and math by 10% (roughly seven students per grade). Our staff is working hard to deliver the instruction that will improve yearly student performance on Iowa Assessments and other measures of academic growth.

This year we are utilizing our professional development dollars and time to align our curriculum with the Common CORE curriculum Iowa Assessments attempt to measure. Teachers are working to ensure standards are sufficiently addressed within each grade level and from one grade level to the next. Accomplishing this task is ongoing and will provide students with a guaranteed learning experience preparing them not only for success on Iowa Assessments and college readiness assessments like the ACT, but also increasing college and career readiness.

Along with a strong focus on curriculum, Teachers are forming new working relationships in the classroom through a co-teaching model. In a co-teaching model, two teachers (one regular education teacher and one special education teacher) collaborate in designing learning experiences that better support both regular education and special education learners in a classroom. Regular and special education students have always sat alongside each other in our classrooms, this model seeks to elevate the experience and support for all learners in a classroom through collaborative planning, targeted support and reducing the teacher to student ratio in the classroom.

In addition to a great deal of work in the classroom, contractors have been working hard to complete the major bond referendum projects. Taxpayers are often surprised to learn that this 7.9 million dollar referendum did not increase their total tax rate. The total tax rate per \$1,000 for property owners in Saydel is still significantly less than surrounding areas and slightly lower than the average of all Iowa districts. The chart below is a total tax rate comparison for Saydel as well as the state average and the average of the five districts bordering Saydel. Not only are we providing a top-quality learning experience, we are doing so in a way that is a great value to our taxpayers.

Superintendent's Message—cont'd

While our unseasonably wet weather has impacted our project completion date, our bond referendum projects are within budget and will deliver high quality facilities for our students.

Please join us October 10 for our grand opening open house at the high school. From 5:00-6:30 community members can tour the new facilities at the high school. After the football game, there will be a Booster Club-supported celebratory fireworks show to thank the community for their investment in our children.

If you have made it to this point in my letter, thank you for your perseverance. I wanted to end on a personal note. The past few months of work have been some of the best in my career. This positive experience is due to the overwhelming support I have received from the community. I continue to be impressed and inspired by the pride our community has in its schools. Please tell your friends, neighbors and relatives the wonderful stories you have shared with me about this great district. Enjoy the fall weather!

Respectfully,

Douglas Wheeler

Superintendent of Schools

**Woodside Middle School
Christopher Feldhans, Principal**

It is hard to believe that we are 5 weeks into the 2014 - 2015 school year. I want to share some great news about our Iowa Assessment scores from last year. Woodside Middle School saw growth in 11 of our 12 tested areas of Reading, Math, and Science, in grades 5 - 8. Our growth in Reading and Math were significant enough to move Woodside from the School in Need of Assistance (SINA) list into DELAY status. With one more year of continued growth, Woodside will be able to be completely removed from the SINA list altogether. As we work with your children this year we will spend a significant amount of time talking with them about where they are academically, and where we would like to be. These conversations will be centered around Goal Setting. As a parent, you can work with your student every night by setting a time for them to read independently, or with you. It is also very powerful for adults to read to their children of any age. This provides a model of what a fluent reader sounds like. We look forward to seeing all parents at Conferences on October 2nd and 7th. If you have not yet scheduled your conference with your child's teacher, please do so right away.

Christopher Feldhans

SAYDEL HIGH SCHOOL

Kevin Schulte, Principal

National Merit Scholar Semifinalist

Nick Dolan, senior, is being recognized as a National Merit Scholar Semifinalist. Nick is one of these semifinalists that represent the highest-scoring entrants on the Preliminary SAT (PSAT) and are less than 1 percent of each state's seniors. This is a great accomplishment as over 1.4 million students in more than 22,000 high schools entered this program by taking the PSAT.

College Preparation

One of the components of Saydel's Vision 2018 is that 100% of our students will be career and/or college ready. We are working toward this on a daily basis with every class in our high school. We also have students taking dual enrollment classes (students earn both high school and DMACC credit through courses at the high school) and post-secondary enrollment classes (PSEO-classes at an area college). During the 2013-2014 school year, we had 104 students earn college credit with the average student earning over 6 college credits last year. This fall we have 86 students enrolled in college credit classes. These classes are a great way for students to prepare themselves for life after high school as well as ease some of the financial burden of paying for college.

We are hosting our college planning and financial aid seminar from 7:00 – 9:00 pm on October 28th in the high school auditorium. This is a great opportunity to learn more about the process of planning, applying for and funding education after high school.

2014-2015 High School Goals

As we begin another a great year of learning at Saydel High School, we have set the following school goals for Iowa Assessments.

11th grade

Reading-5% increase of advanced students and 5% increase of advanced and proficient students combined

Math-4% increase of advanced students and 5% increase of advanced and proficient students combined

10th grade

Reading-6% increase of advanced students and 6% increase of advanced and proficient students combined

Math-5% increase of advanced students and 3% increase of advanced and proficient students combined

9th grade

Reading-10% increase of advanced students and 8% increase of advanced and proficient students combined

Math-6% increase of advanced students and 9% increase of advanced and proficient students combined

12th grade-as measured by the Work Keys assessment

Reading and Math-17% Platinum Level, 18% Gold Level, 33% Silver Level, and 18% Bronze Level

Not only have we set a school goal, but each individual teacher and student has set a personal goal.

Saydel High School has kicked off both a Facebook page and Twitter feed to provide up to date information for both parents and students. Like us (www.facebook.com/saydelhighschool) or follow us ([@saydelHS](https://twitter.com/saydelHS)) to stay in the loop.

OPEN ENROLLMENT NOTICE

Parents considering the use of open enrollment option to enroll their children in another public school district in the state of Iowa should be aware of the following deadlines:

March 1, 2015– Last date for regular open enrollment requests for the 2015-2016 school year.

September 1, 2015– Last date for open enrollment requests for entering kindergarten students for the 2015-2016 school year.

Applications must be filed with the district of residence *and* the receiving district. Parents and students should be aware that open enrollment may result in the loss of athletic eligibility for participation in varsity sports.

Open enrollment forms are available at the Saydel District Office and are also available through the Department of Education website: www.educateiowa.gov.

Cornell Elementary School

Deb Chiodo, Principal

Conferences will be held Thursday, October 2nd and Tuesday, October 7th, 2:00 p.m. – 8:00 p.m. Dismissal for parent pick up/ 1:30 and bus dismissal / 1:30. Watch for a reminder note.

PTO Meetings will be Tuesday, October 14th and Tuesday, November 11th at 6:30 pm in the Cornell Library.

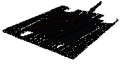

Fall Parties will be held Friday, October 31st at 3:00 – 3:20 in classrooms.

Thursday, November 20th Kindergarten Concert – Cornell Gym, 6:00 pm

November 26, 27th & 28th – Thanksgiving Break

Thanks to another generous grant from United Way, Cornell Elementary will be adding one more student iPad to each classroom this year. These iPads are used by students for practice opportunities that are engaging and educational during independent and small group work time. We are also excited to expand the implementation of iPads into specials areas. They will now be available to use during art, music, physical education, guidance and library to enhance all areas of student education through the use of technology.

Your Finances First[®] THANK YOU *Affinity Credit Union* for continuing to sponsor our monthly Character Counts Recognition !

Cornell Elementary—cont'd

Upcoming Dates:

December 4th – 1st & 2nd Grade Concert at High School Auditorium

December 19th – Mini Sessions

December 22nd – January 4th – Winter Break

January 5th – School Resumes

Cornell Elementary School has been awarded a Reading Corps AmeriCorps Member to serve as Elementary Literacy Tutor for the 2014-2015 school year! She will work with students in kindergarten-3rd Grade who need a boost to catch up to grade level in reading. Iowa Reading Corps is a replication of the successful Minnesota Reading Corps program model and sees real growth in its students.

We are excited to announce that Madelyn Schoonover will be serving in our school as an Iowa Reading Corps AmeriCorps member! Madelyn will serve through our local United Way to participate in summer tutoring, Summer Feeding Service Program, and/or summer reading programs at local libraries. The Iowa Reading Corps AmeriCorps Program is an initiative of United Ways of Iowa and receives match funding from local United Ways.

Madelyn will provide research-based interventions to Kindergarten-3rd grade students one-on-one, who are just below proficiency in reading. She will tutor each student daily for 20 minutes to help build reading skills.

Madelyn is from Indianola, Iowa and graduated from Nebraska Wesleyan University last year with a Bachelor of Arts in English. Her hobbies include reading, writing, singing and playing the piano. Her favorite food is pizza and her favorite novel is Jane Eyre by Charlotte Bronte.

**Amy A’Hearn,
Director of Food Service**

Fresh Fruit & Vegetable Grant at Cornell

If you walk through the halls of Cornell Elementary after 2 p.m. you will find carts with fresh fruits and vegetables and students munching on an assortment of fruits and veggies in their classroom. This year we are fortunate enough to have received the Fresh Fruit and Vegetable Program grant. This grant allows us to serve a fresh fruit or vegetable snack to students grades K-4 daily.

The goal of the FFVP is to:

Create healthier school environments by providing healthier food choices.

Expand the variety of fruits and vegetables children experience.

Increase children's fruit and vegetable consumption.

Make a difference in children’s diet to impact their present and future health.

This program is seen as an important catalyst for change in efforts to combat childhood obesity by helping children learn more healthful eating habits. The FFVP introduces school children to a variety of produce that they otherwise might not have had the opportunity to sample.

Please encourage your child to try the fruit or vegetable snack of the day and talk with your child about it when they get home. You may find your child likes more fruits and vegetables than you thought! The FFVP menu is posted on the Saydel website under menus.2014-2015 Breakfast & Lunch Prices

Parent /Guardian Agreement

I, the parent / legal guardian of the registrant, a minor, agree that the registrant and I recognize the possibility of physical injury associated with wrestling, and in consideration of the Little Eagles Wrestling Club accepting the registrant for its wrestling program, I hereby release, discharge, and / or otherwise indemnify Little Eagles Wrestling Club including the sponsors, their employees, and associated personnel, including the owners of the facilities utilized for the program, against any and all claims by or on behalf of the registrant as a result of the registrant's participation in the program. Little Eagles Wrestling Club, Little Eagles Wrestling Club Coaching Staff and the Saydel School District cannot be held liable for injuries sustained during practice or tournaments. Wrestlers not adhering to the rules of the practices will be asked to leave. We want to provide a quality wrestling education and safe place to learn. Wrestlers must not be dropped off more than 15 minutes prior to the start of practice and must be picked up promptly at the time the practice ends. The coaches are not responsible for children not picked up at the end of practice. Wrestling shoes need to be carried in separately from street shoes, so they are clean and dry.

ATHLETIC BOOSTER CLUB

SAYDEL HIGH SCHOOL 5601 NE 7th DES MOINES, IA 50313

The Athletic Booster Club at Saydel High School is a volunteer parent organization. We help provide equipment, uniforms, and other items for our student athletes when regular budget dollars aren't enough. In the past year a few of our larger purchases have been updating our video equipment used for training purposes, training tables that our used in our athletic training room, and practice equipment for our baseball and softball teams. In order for us to be successful, we depend on the support of our community and local businesses. Thank you for considering one of the following memberships below, which would help strengthen and support our athletic programs. Please refer to www.highschoolsports.net for Saydel sports schedules and information.

We have several options available for individual memberships

1. Platinum Eagle - \$250 includes

- Family Athletic Pass (admission to all regular home scheduled sporting events during the 14-15 season, \$150 value)
- Name listed in our athletic programs

2. Gold Eagle - \$100 includes

- Punch card good for admission to ten home athletic events (\$50 value)
- Name listed in our athletic programs

3. Green Eagle - \$50 includes

- \$15 credit for Saydel Athletic Booster merchandise
- Name listed in our athletic programs

4. Eagle - \$25 includes

- Name listed in our athletic programs

Yes, we would like to support the Saydel Athletic Booster Program.

Please fill out the information below and send to the address listed above. Your check should be made out to Saydel Athletic Boosters.

Saydel Music Booster sponsorships are available to businesses, individuals, families and organizations interested in providing financial support for the Saydel Community School's Music Program. Donations provide support to the vocal and instrumental programs at Woodside Middle School and Saydel High School. Some of the expenses covered by the Music Boosters include travel for students, clinicians (drum line & color guard instructor, choir & band master classes), accompanists for concerts & contests, honor festival expenses, awards and music camp scholarships.

Continuing the Tradition of Excellence, our performing groups represent our school and community year-round, serving as outstanding examples of student accomplishments and the exceptional educational programs they represent.

All donations to the Saydel Music Booster program are proudly listed in our concert programs and athletic programs for both Woodside and Saydel throughout the school year. Sponsors may elect to remain anonymous at their discretion.

Donations for sponsorships are TAX DEDUCTABLE!
