SAYDEL BOYS CROSS COUNTRY TAKES THE CROWN!!!

The Saydel Cross Country team competed in two meets this week, the Heart of Iowa Conference meet on Monday in Ames, Iowa at the Iowa State University Cross Country Course and their home meet, held on the Saydel High School Campus. Both meets went well for the Eagles as the wind down the season, peaking towards next week's district meet in Pella, Iowa, at Central College's cross country course.

Monday brought the HOIAC meet to determine the conference champion, as well as All-Conference runners for the season. The Saydel boys fared well at the meet finishing with 2 All-Conference runners in Casey Roberts, who finished his conference career as a 4-time All-Conference athlete, and David Parker, who earned his first All-Conference designation. The boys as a team missed out on a 2nd place conference finish by 1 point, falling behind 3A #1 ranked Gilbert and CMB.

Other highlights included Ada Miklus, Jordan Johnson, Cody Boozell, Josh Green, Joey Hassett, Austin Moen, David Parker, Justin Roepsch, Alex Scott, and Joe Smith ALL IMPROVING their times from the first meet of the year (ran on the same course), even with some of the worst running conditions they have even ran in.

Saydel came in on Thursday with high expectations for their home meet and they didn't disappoint. Lyndsay Bianchi placed another time in Saydel's top 10 for the course running an 18:57 on the day and taking 20th place for the girls.

The boys came in running for another team first place victory and they got just that. With Saydel runners Roberts, Parker, and Hassett taking the first 3 place in the meet and Nathen Nelson taking 5th, the Eagle has a good start to claiming the championship. Justin Roepsch rounded out the scoring for the Eagles finishing 12th, good enough for a team score of 23 and a first place plaque. Not to be outshined, the 6 and 7 runners for Saydel, Joe Smith and Kole Walker, finished 17th and 20th, earning medals for their efforts!

Saydel takes on districts Thursday, hoping to put multiple male runners in the state meet for the first time in 20 years and possibly qualify as a team for the first time since 1994. Wish the Eagles good luck on the rest of their already stellar season!

Eagle Volleyball

Saydel Volleyball is coming up on its last weeks before Districts. The girls are looking forward to their first round of district game against a 9-4 West Central Valley on October 27th in Stuart. The Eagles finally regular season game is this coming Monday here at Home against Ed-dyville. That night is also Senior night where we will be recognizing our 10 seniors.

Last night the Eagles headed to Nevada in the Tri match. The Eagles started off extremely strong on got a well deserved win over Colfax. The Eagles tried to keep their momentum but fell short. Falling to a tough Nevada team in 3 games. The Eagles future is bright & they

are looking forward in getting a few more wins on their season!

The 8th Grade Lady Eagles finished out their season on Monday at Colfax-Mingo. Although

we didn't have a winning season, each and every one of these girls improved and worked hard until the end. We are looking forward to having an AAU volleyball team this winter for these girls to continue their skills and take them to the next level at the high school next year. I was proud to coach these girls as they made me a better person as I hope I made each and every one of them. - Coach McKee

Football

The Saydel football team continued it's very difficult stretch of their schedule by hosting the Carlisle Wildcats last Friday. Carlisle will likely finish runner-up in Class 3A District 7, as they fell 17-6 to #1 Pella the previous week.

Senior Grant Sherman led the Saydel offense with 117 yards on five receptions, including an 81-yard touchdown catch from Sophomore Devin Porter in the second quarter. Sherman also carried the ball once for 30 yards. Porter carried the ball four times for 11 yards and scored the other touchdown for the Eagles.

The defense was led by Junior Rece Martin who recorded eight tackles. Seniors Brandon Hill

and Marshall Anderson collected six and 5.5 tackles respectively. Senior Corey Denning intercepted a Carlisle pass during the second quarter, his first of the season.

Saydel travels to Pella tonight to play the top-ranked Dutch. Kick-off is 7:30PM.

The Saydel 9th grade team hosted PCM on wet and cold Monday evening. These playing conditions made it extremely difficult for either team to consistently move the football, as both teams

turned the ball over several times. TJ Stephenson finally broke loose in the fourth quarter, as his touchdown run tied the game at six. Unfortunately, PCM drove the ball down the field and scored the winning touchdown to defeat the Eagles, 12-6.

Saydel Gridiron Club

We need your support! The mission of the Saydel Gridiron

Club is to support and promote Eagle Football. In case you didn't know, the SGC provides team meals for every high school player on Thursdays during the season and sack lunches for away games. The SGC provides monetary support for items not provided through donations from

family members and friends of the program. In addition, the SGC offers financial assistance to the football program to provide safety and training equipment. The Saydel Gridiron Club is also responsible for tailgating meals during many Eagle home games (pulled pork sandwich meals return on tonight versus Carlisle).

Visit our table, west of the concession, to purchase Eagle Football merchandise and memberships so we can continue to support the football program and our student-athletes! Our merchandise includes the 2014 Me-

dia Guide (thanks to the support of many local businesses), team posters, wrist bands, window stickers, and yard signs. Inquire about how you can help out with various volunteer opportunities!! We invest in the future of our kids! Go Eagles!!! Contact us at saydelgridiron-club@hotmail.com

The SGC would like to extend a special "Thank You" to the Marquenville United Methodist Church for providing last night's team meal. Your generosity is truly appreciated!!

Saydel Music Boosters 2014-2015
Tradition of Excellence

Saydel Music Booster sponsorships are available to businesses, individuals, families and organizations interested in providing financial support for the Saydel Community School's Music Program. Donations provide support to the vocal and instrumental programs at Woodside Middle School and Saydel High School. Some of the expenses covered by the Music Boosters include travel for students, clinicians (drum line & color guard instructor, choir & band master classes), accompanists for concerts & contests, honor festival expenses, awards and music camp scholarships.

Continuing the Tradition of Excellence, our performing groups represent our school and community year-round, serving as outstanding examples of student accomplishments and the exceptional educational programs they represent.

All donations to the Saydel Music Booster program are proudly listed in our concert programs and athletic programs for both Woodside and Saydel throughout the school year. Sponsors may elect to remain anonymous at their discretion.

Donations for sponsorships are TAX DEDUCTABLE!

Every week teachers at Saydel engage in professional development within the TAP system. I am sure you have heard about Tap but what is it? The ultimate goal of TAP™ is to raise student achievement. The method for getting there is to create incen-

tives and support structures that will maximize teacher effectiveness. To measure whether TAP's objectives are met, we use a variety of methods to evaluate

TAP's impact on student achievement, teacher effectiveness, teacher attitudes, and recruitment and retention. Below are results from a variety of studies conducted over the course of TAP's implementation

Conferencia Mundial de la Asociación de Lenguas

Mrs. Cheryl Smith and Ms. Cammy Newton spent some quality time networking and learning at this year's Iowa World Language Association conference on Saturday, October 11th. Held at the Marriott downtown, the conference hosts a variety of informative sessions for teachers of foreign languages, including Spanish, French, German, Italian, Chinese, Japanese, and Arabic.

Saydel High School students work hard in foreign language classes to prepare for the global work environment. Saydel offers Spanish I up through AP Spanish for all students.

Cornell Elementary

Fourth grade took their annual field trip to the Capitol Building to begin learning about the government. It coincides with the general election. The students are also learning their role in the government as a citizen. Class governments are being used in order to further their understanding of government. In order to deepen their understanding of how a government works, students will take on a role of a government official.

Saydel Little Eagles cheered at the football game last Friday night. Ninety-nine students from Cornell practiced with the high school cheerleaders for one night then performed the cheers they learned at the varsity football game during half-time. The students learned five cheers and were able to show the Eagle fans their spirit. It was a chilly night but the little cheerleader were able to fire up the crowd!
