Saydel Community Schools

Eagle Football

Saydel traveled to Norwalk last week to battle the Warriors in a Class 3A District 7 contest. Both teams entered the game with identical overall and district records (1-3, 0-2). Norwalk had come off of two very difficult road trips in as many weeks, traveling to district-favorites Carlisle and Pella.

Norwalk took advantage of the home crowd and Homecoming atmosphere to jump out to a quick lead and control the football game from start to finish. The 49-6 loss dropped the Eagles to 1-4 on the season and 0-3 in District 7 play.

The Eagles were unable to produce much offense against Warriors' defense. Saydel managed just 66 yards rushing on 26 carries. The Eagles were only able to gain 57 yards passing on the evening. The 123 yards of total offense and six points were both season-lows.

Senior Grant Sherman scored the lone touchdown for the Eagles on a 16-yard run in the fourth quarter. Sherman also connected on a personal best 70-yard punt during the second quarter. Freshman Trevor Sprague led the Saydel defense with 6 tackles. Senior Brandon Hill recorded four tackles, Junior Jacob Philipsen recorded 3.5 tackles, and Freshman Craig Garrison added three stops.

Saydel travels to Knoxville tonight to play the Panthers (1-4) and are also looking for their first district win of the season.

On Monday, the JV Eagles defeated the Tigerhawks of Colfax-Mingo 40-0 at home, thanks in-large part to big plays on offense. Junior Ceejay Bolich caught two touchdown passes from Freshman TJ Stephenson. The first from eight yards out and the second a 66-yard connection. Stephenson also scored on a 2-yard touchdown run. Freshman Trevor Sprague scored on touchdown runs of 65 and 71 yards. Stephenson threw his third touchdown pass of the night to Junior Andrew Smith, a 14-yard strike to close out the scoring for the evening. Saydel (JV) will host Collins-Maxwell-Baxter on Monday, October 6.

Saydel High School 2014 Multiple Activities Schedule
(as of 10-03-2014)

Activity	Time	Versus	Location	Location Detail	Dismiss	Leave	Return	Comments

SAYDEL HIGH SCHOOL

Eagle Volleyball

Tuesday night the Eagles hosted their Cancer Awareness game against Green County. This was a fundraiser in honor of Sherry Hornbacher a Woodside associate and Mother. The Saydel Community raised over \$600 in Sherry's honor from donations and T-Shirt sales! We are putting together another t-shirt order on October 15th. The t-shirts are \$15 and proceeds go to the cause. If you are interested in ordering a Cancer t-shirt please email Ashley Frantz [@frantzashley@saydel.net](mailto:frantzashley@saydel.net).

The Eagles are continuing improving and fighting hard in every match they see! Tuesdays nights game was an intense one! The Eagles fell to Green County in 3 games, 24-26, 16-25, 20-25. One big thing the girls are working really hard on is communication on the court and pushing themselves all the way to 25 points. The Eagles travel to PCM Tuesday & Roland Story on Thursday.

The 8th grade Lady Eagles had two matches this

week. Monday they played North Polk for their last home game. They went 1-7 with two disappointing losses 20-22. McKenzie Myers led the team in ace serves with 6. B'Elanna Trulove, Taylor Conley, and Destiny Butters each added 3 ace serves, Molly McKee added 2, Jade Olsen, Marissa Chally, Ana Green, Serenity Young, Drue Tate and Marissa Mosquada each added 1. Thursday they split the match 2-2 against Collins-Maxwell-Baxter. B'Elanna Trulove lead the team with 8 ace serves, Jade Olsen added 3, Marissa Chally, Drue Tate, McKenzie Myers and Marissa Mosquada each added 1. Carleigh Heiss had the final

ace serve winning the last game 21-18. As a coach, I am so proud of these girls and their accomplishments this year. Getting some wins and even losing some close games really improves their self confidence and motivates them. Learning to play as a team at this young of an age with a variety of skill levels is sometimes challenging but I think they are getting it figured out. I have told them a quote that I have heard....."There is no "I" in TEAM but there is an "I" in WIN and it takes a TEAM to WIN"

Eagle Marching Band

The Saydel Marching Eagles started the competition season last Saturday with a bang, finishing in 1st place for Class 3A, Best Color Guard, and Overall Grand Champion.

Following a week of intense rehearsals to improve on the band's Homecoming Performance, the Marching Eagles made the drive up to Fort Dodge for the annual North Central Marching Invitational. Once there, the band competed against nine other 2A, 3A, and 4A schools. They had a great first performance, and the energy from the crowd helped push the Eagles to a great finish.

"I'm very proud of the band's first performance," says Director Eric Layden. "Every aspect of the group was on that night. The pit, battery, color guard, and horn line all *banded* together

(ha!) to create a great show."

But the Marching Eagles are not resting on their laurels. They've spent this past week of rehearsals adding extra visuals to the show and polishing the music, marching, and guard work.

Layden is confident in the band's ability to perform. "This is a great group of kids," he beams. "They have become a very close group. That friendship and camaraderie really comes across in their performance. You can tell that they've worked incredibly hard, and put in a lot of blood, sweat, and tears; but above all you can tell that they love to perform together."

Come to the Urbandale Marching Invitational on Saturday the 4th at 6:24 p.m. to see how the Marching Eagles' show has changed and improved!

Cross Country

The Saydel Cross Country battled the weather again this week. Losing a meet at Perry due to the rainy, wet conditions. Taking it in stride, the team worked through the week's worth of workouts, spending time working on longer distance endurance days, as well as working on speed and race paces on the track. After the loss of two meets this season the team is ready to run at the North Polk Invite, held on the Ankeny DMACC Campus on Monday afternoon. Stop out and support the Eagles XC team!

8th Grade Trip

The 8th Grade class is raising money for their trip to Washington DC. On Oct 10th at the HS football game they will be having a Photo Booth.

The cost per picture print is \$3. The pictures will be delivered to the students at the appropriate schools. All money raised will be split evenly between all the students attending the Washington DC trip in June.

Thank you in Advance for all your support

Saydel Gridiron Club

We need your support! The mission of the Saydel Gridiron Club is to support and promote Eagle Football. In case you didn't know, the SGC provides team meals for every high school player on Thursdays during the season and sack lunches for away games. The SGC provides monetary support for items not provided through donations from family members and friends of the program. In addition, the SGC offers financial assistance to the football program to pro-

vide safety and training equipment. The Saydel Gridiron Club is also responsible for tailgating meals during many Eagle home games (pulled pork sandwich meals return on 10/10 versus Carlisle). Visit our table, west of the concession, to purchase Eagle Football merchandise and memberships so we can continue to support the football program and our student-athletes! Our merchandise includes the 2014 Media Guide (thanks to the support of many local businesses),

team posters, wrist bands, window stickers, and yard signs. Inquire about how you can help out with various volunteer opportunities!! We invest in the future of our kids! Go Eagles!!!

Saydel High School

Saydel High School construction students have been hard at work this fall semester. Once the typical beginning of the year safety and routines were completed, the students jumped right in and began the hard work. One major project to start the year the building of a yard shed. This project took many hours of design and work from students in preparing the project before the first board was even cut. Now they are in the assembly and finishing phases on site during construction field trips. The students are getting some great hands on experiences with this assignment.

Mitchell Stout, Austin Lilly and Jacob Harmon worked to construct this shed as a part of Saydel's Building and Construction class

Adrian Smith, Cory Birmingham, Daniel Eaton and Tyler Clark worked to construct this shed as a part of Saydel's Building and Construction class.

Cornell Elementary

In Science, third graders have been conducting short research projects to learn about animals. They have been using text and electronic sources in order to classify animals according to their traits. This has been exciting for third graders because they were able to take their learning into their own hands. With that, they have been able to share their knowledge with their classmates. Be sure to ask your child about what they have learned in school.

A collage of four images related to Angela Bartleman and her business, VISI. The top image shows a family of four (a man, a woman, and two children) on a beach, with text identifying Angela Bartleman as the Central Iowa's Leading Independent Distributor for VISI Cloudberry Nutritionals LLC, with contact information: 515-822-4514, TenZandachew@outlook.com, and www.iowavisileader.govisi.com. The bottom-left image is a portrait of Angela Bartleman. The bottom-right image shows the VISI logo, which is a stylized bird shape with the word "visi" inside. The bottom-most image is a promotional graphic for "10/2 AND A CHEW" featuring a family of four walking on a beach, with the text "DON'T SETTLE DREAM BIG" and "EMBRACE SUCCESS MILE OFTEN".
